Excerpt from The Old Boston Taverns and Tavern Clubs

If what is now included in the following pages, a portion was read by me to the Bostonian Society several years ago, but not printed. Inasmuch as the subject brought out, incidentally, some very marked phases of New England life in bygone times, it proved to be not merely an interesting study, but one having some historical value as well. As such, it seems not unworthy of a place in our historical literature, among the Old Landmarks. At least, I have thought it of sufficient importance to warrant a fuller presentation of the whole subject in permanent form, the more so as the doing this would also permit the use of unpublished materials chiefly collected by the late S. G. Drake, and now included in the Appendix.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
