What Has Become of You asks: What if a teacher's most promising pupil is also her most dangerous?

Aspiring writer Vera Lundy hasn't entirely overcome her own adolescence when she agrees to teach at a tiny private school. A recent murder has already put their small New England town on edge when Vera bonds with a student who's eerily reminiscent of her younger self. Amid a growing sense of menace, Vera finds herself in the vortex of danger—and suspicion.
