**American Indian Education: A History** Jon Reyhner, Jeanne Eder

In this comprehensive history of American Indian education in the United States from colonial times to the present, historians and educators Jon Reyhner and Jeanne Eder explore the broad spectrum of Native experiences in missionary, government, and tribal boarding and day schools. This up-to-date survey is the first one-volume source for those interested in educational reform policies and missionary and government efforts to Christianize and “civilize” American Indian children.

Drawing on firsthand accounts from teachers and students, *American Indian Education* considers and analyzes shifting educational policies and philosophies, paying special attention to the passage of the Native American Languages Act and current efforts to revitalize Native American cultures.
