## **Complete New Tales of Para Handy (Para Handy Trilogy)** Stuart Donald

This book is a compilation of the new tales of the motley crew of the Vital Spark which were first published in Para Handy Sails Again and Para Handy All At Sea and in which Donald convinced Neil Munro's many fans of his ability to create entirely new scenarios around the original cast of characters. Accompanied with period plates of actual West-coast scenes taken at the time of the settings of Munro's original tales, these 60 stories are humorous, enlightening and always mischievous. This is sure to become the essential volume which Para Handy fans around the world will want and will be a great tribute to Stuart Donald's unique talent. The first two volumes have sold out but Stuart's death prevented a trilogy from being completed. This compilation volume is as much a tribute to Stuart's talent as it is to Neil Munro's inspirational characters ... the motley crew of the Vital Spark.
