## Democratizing Global Media: One World, Many Struggles (Critical Media Studies: Institutions, Politics, and Culture)

Democratizing Global Media explores the complex relationship between globalizing media and the spread of democracy around the world. An international, interdisciplinary group of journalists and scholars discusses key\_and often contentious\_issues such as the power of media, the benefits of media globalization, and the political role of media. More than a critique, Democratizing Global Media offers positive alternatives, from peace journalism to popular movements toward democratizing media and public communication.
