Finally, there is a cruising guide for Kodiak Island. Kodiak is rare and wonderful territory, seldom visited by cruising boats. It's difficult to get there and Kodiak weather and anchorages are more challenging than either Southeast Alaska or Prince William Sound. This guide, based on firsthand information gathered by a long-time Pacific Northwest cruising couple, includes chartlets and reviews for over 60 anchorages as well as useful information and opinions about getting there, provisioning and weather and hazards characteristic of Kodiak. PK Connor and Julia Norlin, official members of the senior set, sail the 94 ft steel ketch out of Wrangell, Alaska.
