See You in Paradise: Stories

J. Robert Lennon

See You in Paradise: Stories J. Robert Lennon

The first substantial collection of short fiction from "a writer with enough electricity to light up the country" (Ann Patchett)

"I guess the things that scare you are the things that are almost normal," observes one narrator in this collection of effervescent and often uncanny stories. Drawing on fifteen years of work, *See You in Paradise* is the fullest expression yet of J. Robert Lennon's distinctive and brilliantly comic take on the pathos and surreality at the heart of American life.

In Lennon's America, a portal to another universe can be discovered with surprising nonchalance in a suburban backyard, adoption almost reaches the level of blood sport, and old pals return from the dead to steal your girlfriend. Sexual dysfunction, suicide, tragic accidents, and career stagnation all create surprising opportunities for unexpected grace in this full-hearted and mischievous depiction of those days (weeks, months, years) we all have when things just don't go quite right.

From reader reviews:

David Shetler:

Book is to be different per grade. Book for children until eventually adult are different content. To be sure that book is very important for all of us. The book See You in Paradise: Stories ended up being making you to know about other know-how and of course you can take more information. It is very advantages for you. The guide See You in Paradise: Stories is not only giving you considerably more new information but also being your friend when you experience bored. You can spend your own personal spend time to read your publication. Try to make relationship using the book See You in Paradise: Stories. You never really feel lose out for everything when you read some books.

Shirley Arrington:

Beside this particular See You in Paradise: Stories in your phone, it could possibly give you a way to get nearer to the new knowledge or data. The information and the knowledge you will got here is fresh from oven so don't possibly be worry if you feel like an aged people live in narrow community. It is good thing to have See You in Paradise: Stories because this book offers for your requirements readable information. Do you sometimes have book but you would not get what it's all about. Oh come on, that will not end up to happen if you have this inside your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the item? Find this book along with read it from right now!

William Kozak:

As we know that book is important thing to add our know-how for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or even blank sheet. Every year was exactly added. This publication See You in Paradise: Stories was filled about science. Spend your free time to add your knowledge about your research competence. Some people has diverse feel when they reading a book. If you know how big benefit from a book, you can truly feel enjoy to read a book. In the modern era like now, many ways to get book that you wanted.

Helen Christopher:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this See You in Paradise: Stories can make you really feel more interested to read.
