## **The Axis of Evil Cookbook** Gill Partington

“The existence of Gaddafi is closely related to the historical development of humanity itself.”—Colonel Gaddafi

Ever wondered what an Axis of Evil leader eats after a day spent threatening neighboring countries with weapons of mass destruction? This unique cookbook tells you how to prepare these dishes in the safety of your own home.

Present a genuine dog stew for that special dinner party and play “spot the Elvis impersonator” among Axis leaders. Both funny and informative, this book also includes cultural anecdotes and political insights.

**Gill Partington** is thirty-five years old and lives in North London with her cat. The cat is not a devotee of Gill’s cooking.
