## **Cómo educar la voluntad (Hacer Familia) (Spanish Edition)** Fernando Corominas

Este libro pretende ser una ayuda a padres y profesores en un campo concreto y muy importante de la formación de hijos y alumnos: la educación de la voluntad. Es decir, conseguir que chicos y chicas sean personas de voluntad fuerte y sana, capaces de querer la verdad, de querer ser personas responsables, de querer a los demás, de querer estudiar...

De manera sencilla y directa nos enseña qué aspectos de la educación no podemos perder de vista: la educación temprana, la eficacia, la prevención y la motivación. Gracias a ello, podremos hacer de nuestros hijos personas con fuerza de voluntad, capaces de querer hacer lo que quieren y deben.

Debemos aprender a educar mejor de forma que los buenos resultados sean lo normal y no una consecuencia del azar.

Fernando Corominas es doctor en Ingeniería Naval y Presidente del Instituto Europeo de Estudios de la Educación (IEEE). Lleva más de veinticinco años investigando en el campo de la educación familiar, pronunciando más de mil conferencias en todo el mundo.
