"Container Gardening Secrets: Tips for the Beginner" is a great tool that will help the novice gardener to learn the techniques that are required to have a successful container garden. It is also a great text for those who have limited or no garden space that wants to grow some vegetables and herbs for home consumption or simply want to add some color to their home with some great flowers. The author has gone to great lengths to explain everything in as much detail as possible and takes the reader through the process step by step. As such any individual that takes up the text will be able to follow the steps and get a container garden started. The main point that the author highlights about container gardening is the fact that any sort of container can be used, whether it is recycled or something new. It also takes less effort than the regular style of gardening.
