## Die Leiden des jungen Werthers (German Edition) Johann Wolfgang von Goethe

The Sorrows of Young Werther is a semi-autobiographical novel written by a young Goethe as a series of letters by Werther to his friend William concerning his infatuation with a peasant girl, already-betrothed. Initially published anonymously, the work was massively influential, and made Goethe an overnight celebrity, though he would later express distaste for its reception and for the fictionalizing his real-life romance.
