I Dare You To Be Great explores Polly Higgins' story as an Earth lawyer as she discovers how we can create a legal duty of care for the Earth - a law of Ecocide. We have a choice: break our chains and create a greater freedom, or remain enslaved to an era of Ecocide. Polly invites in a conversation of a different kind; firing up a neural pathway of exploration that takes us into the unknown yet expands our vision of what our legacy could be. Sharing her insights, she sheds a light on what is possible - a vision far greater and more beautiful than we have dared before.
