It's simple; you're considering participating in a multi-day charity walk event, but you have no idea what you're up against. "Rock the Pink" is author and blogger K.A. Thompson's what-it's-like account of training for and participating in a 3 day 60 mile breast cancer walk. Part memoir, part guide book, Rock the Pink will outline the basics of what it's like to train-battling blisters, chronic pain, and heat-and what a new walker can expect on the event. Profits from the sale of this book will be used to raise funds for future walks.
