**The Tank Man's Son: A Memoir** Mark Bouman

**In the tradition of *The Glass Castle* and *Angela's Ashes* comes the most unforgettable memoir you'll read this year!**

*"What did it mean to be the Tank Man's son? To grow up overwhelmed by my father's presence and personality? It was as if I didn't exist, as if I was just something else for my father to crush."*

So begins the haunting memoir of Mark Bouman as he recounts the events of his childhood at the hands of his larger-than-life, Neo-Nazi father in brilliant, startling detail. From adventure-filled days complete with real-life war games, artillery fire, and tank races to terror-filled nights marked by vicious tirades, brutal beatings, and psychological torture, Mark paints a chilling portrait of family life that is at once whimsical and horrific—all building to a shocking climax that challenges even the broadest boundaries of love and forgiveness.

An epic tale of redemption and reconciliation, *The Tank Man's Son* is a literary tour de force that is sure to become an instant classic.
