## Under the Rainbow Crossing Ruth Ann Friend

This book is based on true stories by co-existence between more than two worlds which proves that there is life after life, and that there are more places that exist after human life on earth. I attempt in the book to fully express how it is to live in a world where I can see and hear the “Other Side” on a daily basis. We humans are much more than most people know and taught, there are answers for a ‘fear ‘of life and death. I have information from the souls in the spirit world to those here mourning for their loved ones, and for what happens to them after ‘death’.
