Can this family keep the peace when they're cooped up together underground?

The days are getting colder. The badgers' bellies are getting rounder, and the foxes' fur is growing longer. That can only mean one thing: winter is coming!

Ginger wants to sing and play and hunt in the snow. She wishes her badger brother, Grub, would join her, but he is busy taking daylong naps. She needs a perfect plan to make the whole family happy. But what do you do with a badger who only wants peace and quiet?
