Acadian Redemption, the first biography of an Acadian exile, defines the 18th century society of Acadia into which Joseph dit Beausoleil Broussard was born in 1702. The book explains his early life events and militant struggles with the British who had, for years, wanted to lay claim to the Acadians' rich lands. The book discusses the repercussions of Beausoleil's life that resulted in the evolution of the Acadian culture into what is now called the Cajun culture. More than 50 vintage photographs, maps, and documents are included.
