Each Vermont country store carries its own particular stock of special wares and memorable characters. From the Connecticut River to Lake Champlain, country stores and their dedicated owners offer warmth against the blizzard, advice and a friendly ear or a stern word. Neighbors meet and communities are forged beside these feed barrels and bottomless coffee urns. Author Dennis Bathory-Kitsz returns once again to the Green Mountain State with this updated and revised history and guide to its beloved country stores. When Hurricane Irene threatened many of these local institutions and communities in 2011, Vermonters came together, often at their country stores. Explore the very heart of communities big and small, where locals have been keeping their house keys behind the counter and solving the world's problems on the front stoop for more than two hundred years.
