Errol Flynn: Gentleman Hellraiser David Bret

With his stunning looks and swashbuckling onscreen panache Errol Flynn was by all appearances the quintessential movie star who had it all. But Flynn's manicured Hollywood persona did little to hide his insatiable appetites off-screen - the binge drinking, brawling and womanising that would forever cement his place as a film legend. In this hard-hitting study, bestselling show business biographer David Bret traces the life and loves of the actor and man. It was Flynn's natural charisma and athletic prowess that made him as the heartthrob star of *Captain Blood* and *The Adventures Of Robin Hood*. But Hollywood's prodigal son was never far from controversy and scandal. In a series of extraordinary revelations Bret explores the star's love of underage girls, young men, binge drinking and drug experimentation, as well as his controversial background as a slave-trader in New Guinea, involvement with the Spanish civil war and his support for Castro. This is compelling and engrossing portrait of the original action-adventure star, who packed more into his fifty years than his high-living contemporaries ever could. The gifted, complex and rakish rebel remains without equal as the film icon of the 20th century. 2009 marks the tragic death of Flynn and this book is an excellent tribute to an extraordinary actor. David Bret was born in Paris and is a leading celebrity biographer. His many acclaimed books include biographies of Marlene Dietrich, Gracie Fields, Freddie Mercury, Tallulah Bankhead, Maria Callas, Rudolph Valentino, Edith Piaf and Joan Crawford. He lives in Yorkshire.
