Face-to-Face with Priscilla and Aquila: Balancing Life and Ministry (New Hope Bible Studies for Women) Janet Thompson

Priscilla and Aquila made an impact on those they served. So much so they were mentioned numerous times by the Apostle Paul in his writings as examples of servant leadership in the early church. Sadly today many couples serve apart from one another in the church—if they serve at all. By not serving together, those couples miss out on blessings that can only be received through investing in kingdom work as a couple. Face-to-Face with Priscilla and Aquila explores the importance of serving together and leading together within the context of both the church and everyday life.
