High school teachers and students recognize Barron's *Let's Review* titles as important test preparation books and valuable complements to Barron's *Regents Exams and Answers* books. They cover the topics specified by the New York State Board of Regents, and contain subject review material with review questions, as well as actual Regents Exams with answers. New editions have been updated to reflect the latest changes in Regents Exam formats. This title reviews the science of ecology, levels of biological organization, formation and structure of the ecosystem, and the interaction between human beings and the biosphere.
