Ha Jin

Ocean of Words: Stories (Vintage International) Ha Jin

Winner of the PEN/Hemingway Award

The place is the chilly border between Russia and China. The time is the early 1970s when the two giants were poised on the brink of war. And the characters in this thrilling collection of stories are Chinese soldiers who must constantly scrutinize the enemy even as they themselves are watched for signs of the fatal disease of bourgeois liberalism.

In **Ocean of Words**, the Chinese writer Ha Jin explores the predicament of these simple, barely literate men with breathtaking concision and humanity. From amorous telegraphers to a pugnacious militiaman, from an inscrutable Russian prisoner to an effeminate but enthusiastic recruit, Ha Jin's characters possess a depth and liveliness that suggest Isaac Babel's *Cossacks* and Tim O'Brien's *GIs*. **Ocean of Words** is a triumphant volume, poignant, hilarious, and harrowing.

"A compelling collection of stories, powerful in their unity of theme and rich in their diversity of styles."--
New York Times Book Review

"Extraordinary...[These stories are shot through with wit and offer glimpses of human motivation that defy retelling...Read them all."--Boston Globe

"An exceptional new talent, capable of wringing rich surprises out of austere materials."--Portland Oregonian

Craig Palmer:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Ocean of Words: Stories (Vintage International)

can make you really feel more interested to read.
