Sing! Prayer and Praise: A New Praise and Worship Music Song Book for Pastors, Musicians and Worship Leaders

Sing! Prayer and Praise Praise music is... "...a memorable, melody-based composition which is musically accessible without being simplistic; it has a fresh sound incorporating less-traditional rhythms and harmonization. Praise music makes one "feel" something with a goal of establishing a deeper relationship with God. It can move one to thought, action, and reflection based on the text or theme. The language of praise music is inclusive and accessible. It encompasses traditional religious vocabulary; explores non-traditional, contemporary images of God, Jesus Christ, and the Holy Spirit; and draws from the rich imagery found within sacred Scripture. Praise music seeks to embody the covenantal values of the United Church of Christ: Justice and Peace, Multiracial/Multicultural, Open and Affirming, Accessible to All - as we seek unity; celebrate diversity; honor inclusion; hope for relational, loving communities; and explore multiple images and understandings of God." ~Adopted by the Praise Song Advisory Team, Sunday, July 22, 2007
