## **The Flood: A Novel** Carol Ascher

Nine-year-old Eva Hoffman is the daughter of Austrian Jewish refugees who have found a precarious safety among a small community of European exiles attached to a psychoanalytic hospital in Topeka, Kansas. It is 1951, and the landmark school desegregation case, *Brown v. Topeka Board of Education*, is being tried in the local court. As the rising river inundates the town, the Hoffmans open their home to refugees from the flood, and Evan learns the complexities of prejudice--and courage--both within and outside her family.
