Evangelism. It's one of the highest values in the church. So why do so few churches put real time, money, and effort into it? Maybe it's because we don't understand the evangelistic potential of the church well enough to get excited about it. *Building a Contagious Church* will change that. This provocative audio program dispels outdated preconceptions and reveals evangelism as it really can be, radiant with the color and potential of the body of Christ and pulsing with the power of God. What's more, it walks you through a six-stage process for taking your church beyond mere talk to infectious energy, action, and lasting commitment.
