## **Die Ideale (Symphonic Poem No.12), S.106: Study score** Franz Liszt

*Die Ideale* is the penultimate work of the revolutionary series of thirteen tone poems Liszt composed for orchestra. It may have been originally intended as the final one, since the 13th symphonic poem followed more than two decades after this work's completion and premiere - which took place on 9 September 1857 with the Weimar Hofkapelle conducted the composer. This new study score is a digitally-restored reissue of the score edited by Otto Taubmann in the sixth volume of the Liszt-Stiftung edition, published in 1910. As with all PLP scores a percentage of each sale is donated to the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
