Featuring more than 100 photos and quotes from cats in America's most glamorous city, *Felines of New York* exposes the furry underbelly of New York City's most glamorous, self-important residents.

Where the humans of New York are accomplished, interesting, thoughtful, creative, and even sometimes tragic figures, the cats are simply cats. They do not stand in line for brunch, or have season tickets to the Met, or go indoor-rock climbing in Brooklyn. They do not shop at thrift stores or nibble finger sandwiches at the Russian Tea Room. And they certainly do not give a flying f\*ck about the Yankees.

No, the felines of New York bathe, purr, bask languidly in the sun, and occasionally cast baleful glances at the humans who provide them food and shelter. They are proof that behind every New Yorker, there lays a cat just waiting to destroy their IKEA futon and then eat their faces off when they die.
