**From Book 1:** In the small Colorado town of Summit View, a surprising multi-generational mix of women from Grace Church meet once a week to pass a hot dish and to pray. But the Potluck Club, as they call themselves, is a recipe for disaster when they send up enough misinformed prayers to bring down a church. And the funny thing: the more they pray, the more troubles seem to come their way. It isn't until they invite God to the table that they discover friendship is the spice of life, and a little dash of grace, just like salt, goes a long way.

With charming, down-home characters, humor, poignancy, and a recipe in every chapter, The Potluck Club will keep readers hungering for more.
