Tales from Lovecraft Middle School #3: Teacher's Pest Charles Gilman

“Two-headed monsters, giant tentacles, angry demons—Lovecraft Middle School is great creepy fun!”
—Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children*

DON'T BE FOOLED by his friendly smile, his perfect manners, or his shiny red apple. Student council president Howard Mergler is actually a sinister bug-monster in disguise—and he's summoning swarms of roaches, wasps, fleas, and head lice into the corridors of Lovecraft Middle School! Twelve-year-old Robert Arthur is the only student who can stop him—but he'll need help from his best friends: the school bully, the school ghost, and an extremely courageous two-headed rat.

This third novel in the Lovecraft Middle School series begins right where *Professor Gargoyle* and *The Slither Sisters* ended—with more action, more adventure, and more outrageous monsters!
