Karl Marx

A guerra civil na França (Coleção Marx e Engels) (Portuguese Edition) Karl Marx

No ano em que se comemoram os 140 anos da Comuna de Paris, a Boitempo Editorial publica uma tradução inédita de A guerra civil na França, texto escrito originalmente em 1871 por Karl Marx como "Terceira Mensagem do Conselho Geral da Associação Internacional dos Trabalhadores (AIT)" e difundido como livro na Europa e nos Estados Unidos. Em edição posterior, de 1891, Friedrich Engels acrescentaria as duas primeiras mensagens de Marx para a Internacional, complementando as bases dos estudos históricos dessa que foi a primeira experiência histórica de tomada de poder pela classe trabalhadora.

A célebre obra traz ao mesmo tempo um retrato da breve existência (72 dias) da Comuna de Paris e um chamado à ação da classe trabalhadora francesa contra a repressão praticada pelas forças militares de Versalhes em oito dias de extermínio do poder comunal, de 21 a 28 de maio de 1871, conhecida como "Semana Sangrenta". Marx apresenta um relato entusiasmado sobre a defesa de Paris por uma maioria de origem operária.

O regime comunal é revelado pelo filósofo alemão como a forma política que levaria à emancipação econômica do trabalho, em que este deixa de ser um atributo de classe. "É uma obra de alcance universal sobre como a usurpação do poder promovida pelos representantes da burguesia, das camadas médias e dos setores rurais timbrados pelos interesses dinásticos foi confrontada pela crítica das armas dos trabalhadores", afirma o historiador e professor de história da PUC, Antonio Rago Filho, em texto de apresentação do livro.
