## Elizabeth Bowen: The Enforced Return Neil Corcoran

*Elizabeth Bowen: The Enforced Return* offers an imaginative new reading of the work of a writer still too little known. Neil Corcoran considers the theme of "return" in her work in various senses, examining her treatment of Ireland, children, and war. Relating her work to some significant non-fictional material, he offers a view of her as a writer who returns us anew to the history of her time, and of ours.
