## **Herman Melville The Dover Reader (Dover Thrift Editions) Herman Melville**

Despite the early success of his tales of adventure in the South Seas, Herman Melville (1819–1891) suffered a reversal of fortunes with the 1851 publication of *Moby-Dick*. The great epic, now recognized as a masterpiece, was scorned by an uncomprehending nineteenth-century audience. Melville's preoccupation with metaphysical and philosophical issues and his use of symbols and archetypes foreshadowed elements of latter-day literature, and modern readers rejoice in his groundbreaking explorations of timeless questions. Along with excerpts from *Moby-Dick*, this anthology presents the complete text of Melville's classic of travel and adventure literature, *Typee: A Peep at Polynesian Life*. Additional features include the short stories "Bartleby the Scrivener," "The Paradise of Bachelors and the Tartarus of Maids," and "The Encantadas or Enchanted Isles."
