Here are seven strategic principles that when put into play will bring focus and clarity to everything you do and turn your ministry into a winning team.

## Story Behind the Book

Looking for ways to help pastors faced with hectic lives and depleted resources, Andy Stanley, Reggie Joiner, and Lane Jones decided to write a parable about the complicated life of a local pastor. Rather than come straight at those in ministry with formulas and lists, they engage readers in an effort to have them identify with the character.

"For many years, I practiced and taught church growth. What I have witnessed as a member at North Point takes church growth to a whole new level. Andy and his team communicate principles that will add value to you and the church you love."

-John C. Maxwell, founder, The INJOY Group

"Every professional athlete recognizes the value of solid coaching. The best are always working to get better. From what I've seen at North Point, these seven practices can improve the game of any church in America."

-John Smoltz, Cy Young Award-winning pitcher

"The practices covered in this book are down-to-earth, practical, and come from real difference-makers who know what church leadership is all about. Andy, Reggie, and Lane have definitely hit the ball out of the park with the 7 Practices of Effective Ministry."

-Ed Young, Jr., senior pastor, Fellowship Church
