The Accounting Game: Basic Accounting Fresh from the Lemonade Stand Darrell Mullis, Judith Orloff
"Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that."
-Amazon Reviewer
