Creativity Matthew Fox

The author of *Original Blessing* explores how the highest communion with the Divine can be found right at our fingertips in the simplest expressions of human creativity.

Drawn from a sermon that has electrified listeners, here is a concise, powerful meditation on the nature of creativity from Episcopal priest and radical theologian Matthew Fox.

Creativity is Fox at his most dynamic: It is immensely practical and leaves the reader with a message to put into action in life. Fox tantalizingly suggests that the most prayerful, most spiritually powerful act a person can undertake is to create, at his or her own level, with a consciousness of the place from which that gift arises.
