**What happens when fairytales get the romantic suspense treatment? A cross-genre mash-up with enchanting results!**

Once Upon A Crime...

Gabriel Martin was shot by his boss, and now he's unemployed and unhappy. Furthermore, he has to deal with a continuous parade of in-home carers who just can't seem to get his treatment right. Physiotherapist Bella Tompkins just wants to do her job in order to pay off her debts. A grumpy client is the least of her problems.

Neither of them is aware that there's more going on than a rocky client-practitioner relationship. In the land of Fantasia, Esmerelda — Fairy Godmother Enforcer — and Rumpelstiltskin are working frantically to make sure that their beastly charge gets his fairytale ending. It should be a simple task, but nothing is ever as it seems on the Fairy Isle, where dark forces are rising, the consequences are dire, and Esmerelda has only an accident-prone fairy and an untrustworthy imp for help.

With the stakes rising ever higher, can Gabe and Bella get it together to save both their happy ending and the world?
