uncharted terriTORI Tori Spelling

Welcome to Los Angeles, birthplace and residence of Tori Spelling.

It's not every Hollywood starlet whose name greets you on a Virgin Airways flight into la-la land. But Tori Spelling has come to accept that her life is a spectacle. Her name is her brand, and business is booming. Too bad when your job is to be yourself, you can't exactly take a break.

Tori finally has everything she thought she wanted—a loving family and a successful career—but trying to live a normal life in Hollywood is a little weird. With the irresistible wit, attitude, and humor that fans have come to love, the *New York Times* bestselling author of *sTORI telling* and *Mommywood* is back with more hilarious, heartwarming, and candid stories of juggling work, marriage, motherhood, and reality television cameras.

Tori comes clean about doing her time on jury duty, stalking herself on Twitter, discovering her former *90210* castmates' "I Hate Tori" club, contracting swine flu, and contacting Farrah Fawcett from the dead. Like many mothers, she struggles to find balance (*Stars, they're just like us!*)—only most women don't have to battle it out with paparazzi at the grocery store. She talks openly about the darker side of life in the spotlight: media scrutiny over her weight and her marriage to Dean McDermott, her controversial relationship with Dean's ex-wife, and her unfolding reconciliation with her mother.

Having it all isn't always easy—especially when you're a perfectionist—but with the help of her unconventional family and friends, an underwear-clad spiritual cleansing or two, and faith in herself, she's learning to find her happy ending. Because when you're Tori Spelling, every day brings *uncharted terriTORI*.

Just when you thought *sTORI* time was over, the beloved Hollywood starlet has so much more to say.

"My life has changed dramatically in the past several years. I married Dean; we moved several times; we had two children; we created a show that has gone into its fifth season on the air. I have love. I have a family. I have a home. I have work. It's all I ever wished for. But trying to be a perfect wife, mother, and mini-mogul has its challenges, especially if, like me, you want to be perfect at all of them at the same time." —from *uncharted terriTORI*
