The Book History Reader

The Book History Reader

Following on from the widely successful first volume, this second edition has been updated and expanded to create an essential collection of writings examining different aspects of the history of books and print culture.

Arranged in thematic sections, bringing together a wide range of contributors, and featuring introductions to each section, this new edition:

- contains more extracts covering issues of gender, material culture and bibliographical matters
- has a brand new section on the future of the book in the electronic age
- examines different aspects of book history including: the development of the book, spoken words to written texts, the commodification of books, and the power and profile of readers.

This pioneering book is a vital resource for all those involved in publishing studies, library studies, book history and also those studying English literature, cultural studies, sociology and history.

From reader reviews:

Kevin Gans:

In this 21st millennium, people become competitive in each and every way. By being competitive currently, people have to do something to make these individuals survive, being in the middle of often the crowded place and notice by surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yes, by reading a publication your ability to survive boost then having chance to stay than other is high. For you personally who want to start reading the book, we give you this The Book History Reader book as basic and daily reading publication. Why, because this book is more than just a book.

Megan Martelli:

Can you one of the book lovers? If yes, do you ever feel doubt if you find yourself in the book store? Make an effort to pick one book that you never know the inside because don't ascertain book by its cover may not work at this point is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appearance likes. Maybe your answer could be The Book History Reader why because the amazing cover that make you consider with regards to the content will not disappoint anyone. The inside or content is actually fantastic as the outside or maybe cover. Your reading sixth sense will directly direct you to pick up this book.

Jennifer Garza:

This The Book History Reader is great book for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. That book reveals it information accurately using great plain words or we can declare no rambling sentences inside it. So if you are reading this hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having The Book History Reader in your hand like getting the world in your arm, facts in it is not ridiculous a single. We can say that no book that offers you world inside ten or fifteen moments right but this reserve already does that. So, this is certainly a good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?

Jacquelin Vasquez:

A lot of guides have been printed but it takes a different approach. You can get it by internet on social media. You can choose the best book for you, science, witty, novel, or whatever simply by searching for it. It is named of book The Book History Reader. You can add your knowledge by it. Without leaving the printed book, it may add your knowledge and make a person happier to read. It is most critical that, you must be aware about e-book. It can bring you from one destination for another place.
