“The Candle Maker gifts a portion to us,

To each of us, a shimmering shard of a much greater heart

placed lovingly within.

Is it given for us to guard and protect,

or is it given to guide and direct?”

*The Candle Maker* offers a refreshing glimpse into the journey of faith throughout the entirety of a lifetime. The story of Phillip and his quest to understand how and why there is a candle within his chest is compelling and reads like a parable guiding toward a profound truth. Phillip’s remarkable experience, the wide swing of all human emotion, travels the high, joyous peaks as well as the low, desolate valleys of life.

*The Candle Maker* follows Phillip through all the stages of his existence, from the warmth of a nurturing home, to the embrace of a true love, through the snares of those who would tempt to extinguish his inner flame, through great loss and absolute heartache, back again to a life rebuilt and life returned, and ultimately face to face with the Candle Maker, the creator of all light. Don’t let the brevity of *The Candle Maker* mislead you, within this small volume is a story that sings a grand truth that must be experienced by anyone walking the path of light.
