Set in the days of King Alfred, we follow young Edmund as he journeys from fugitive to nobleman, from boy to man. As the Danish invade Saxon lands, all hope seems lost. Who will unite the disjointed Saxon people, and how can one young man affect the destiny of his entire country? Professor Mom's Historical Homeschooling Series introduces young people to the timeless principles, noble characters, and rich historical detail available to past generations. In the Dragon and The Raven, Mr. Henty brings events of the past to life. His characters emulate honor, respect, duty and integrity. In a world where self-sacrifice has been replaced with selfishness and courage by cowardice, Henty's books are like a breath of fresh air for homeschoolers and other parents everywhere.
