The Fury of Rachel Monette Peter Abrahams

A woman must untangle a dark enigma that dates back to World War II in order to find her kidnapped son in this riveting international thriller from Peter Abrahams, aka Spencer Quinn, author of the Chet and Bernie Mysteries

Rachel Monette arrives home to a scene of unspeakable violence: Her French-born husband, Dan, is dead—the victim of a savage stabbing—and her five-year-old son is missing. A neighbor claims she saw a rabbi taking Adam away. But there are no synagogues in Williamstown.

The only clue is a letter Rachel finds in Dan's safety deposit box. Written in 1942, it's about the reassignment of three German soldiers to a place called Camp Siegfried in the supposedly unoccupied western part of North Africa. Convinced that the murder and abduction are related to a book Dan recently completed about German-occupied countries during World War II, Rachel travels to North Africa and then on to Israel, where a mass murderer hiding in plain sight is determined to keep the horrors of the past buried forever.

From reader reviews:

Michael Brown:

The reason why? Because this The Fury of Rachel Monette is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of benefits than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

Deborah Allen:

Would you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you find out the inside because don't judge book by its protect may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer is usually The Fury of Rachel Monette why because the wonderful cover that make you consider in regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

Brandon Inouye:

Is it anyone who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This The Fury of Rachel Monette can be the response, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Elizabeth McNeal:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from the book. Book is written or printed or highlighted from each source that filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just seeking the The Fury of Rachel Monette when you required it?
